On August 19, 2011, the defendant appeared before the court for his initial appearance, bail was set, and the defendant remained in custody. At the time of this report, an additional court date has not been scheduled.

According to the police report on the above matters, on August 12, 2011, officers received information from a reliable source that the defendant, using the alias, Aurelio A. Urvina, Jr., and his girlfriend were en route to a residence to deliver at least 1 pound of methamphetamine. The vehicle driven by the defendant was located and stopped by patrol units. Upon questioning, the defendant admitted that he had a small amount of methamphetamine in his wallet for his personal use. Inside the defendant's wallet was a folded dollar bill, which contained an off white substance. It was field tested and returned positive for methamphetamine.

Prior to a search of the defendant's vehicle, an officer deployed his K-9 on the vehicle, and the K-9 alerted to the presence of narcotics, however, officers were unable to locate any narcotics inside the vehicle. Officers did notice several natural voids in the vehicle where the K-9 alerted.

The defendant was arrested and booked into the Snohomish County Jail and currently remains in custody.

Information received from the U.S. Immigration and Customs Enforcement (ICE), indicates the defendant was previously deported to Mexico, on May 8, 2009, at San Ysidro, California. ICE has also placed a detainer on the defendant in the above matters.

At the time of this report, it is unknown if the defendant will be charged with a new criminal offense of alien in U.S. after deportation.
